Excel **Pro Club** Experience

“The opportunity to train with Liverpool FC Academy staff is an experience our players will never forget. Learning how other soccer cultures train is invaluable in a young player’s development.”

– Adrian Parrish, Director of Coaching, Kentucky Youth Soccer Association

This is the next level in international soccer programs – an experience laser-focused on player development, clinical training, match play, team chemistry, and total exposure to the highest standards of professionalism in the game.

We all love to watch these clubs play a match. But what about the days leading up to it?

That's the hard work.

That's the training.

That's the team building.

That's the finesse, the tweaking, the mental and physical preparedness.

It's where practice aims for perfection.

It's what really makes a champion.

It's for you to go and experience for yourself.

“Our England trip with Excel was a top quality experience for our program. The training facilities we used were excellent and for our players to face the reserve teams of three top EPL teams was a great opportunity for them. Our players also toured Old Trafford Stadium and attended the Manchester United v Liverpool and Spurs v Arsenal games. This was a once in a lifetime opportunity for our players.”

– **Sasho Cirovski, University of Maryland, Head Men’s Soccer Coach**
